HOW TO OBTAIN A NEW CONTRACTOR LICENSE

These instructions apply to new licenses only. If you wish to add a classification or a qualifying party to an existing license, please see HOW TO ADD A CLASSIFICATION or HOW TO ADD A QUALIFYING PARTY.

Every license must have at least one qualifying party for each classification of work covered by the license. If you are not currently, or do not currently employ, a qualifying party certified in the classification of work you intend to perform, please see HOW TO OBTAIN A QUALIFYING PARTY CERTIFICATE.

ONE: Determine the classification of license and/or certification you need to do the work you are planning to perform. License classifications are listed in the New Mexico Administrative Code, Title 14 Chapter 6 Part 6, which can be found at www.nmcpwr.state.nm.us

IMPORTANT NOTE: If you are uncertain of the proper classification, please complete Classification Determination Request form and submit it to PSI along with a detailed description of the work to be performed. If the license is needed to bid or perform work that will be awarded based on a competitive process, please also include a copy of the project scope of work. Forms can be found on the PSI website (http://public.psiexams.com)

To ensure clear communication, responses to Classification Determination Requests are not made by phone. The written determination will either be mailed or sent to faxed to you.

TWO: Check with PSI to make sure that the name you intend to use on license is available. State law prohibits the issuance of a license if the proposed name is the same as, or is substantially similar to, a name that is on a pending application or existing license. Be sure to clear the proposed name with PSI BEFORE registering it with the New Mexico Secretary of State or applying for a New Mexico tax ID number. Company name cannot reflect a trade outside classification scope of the license, please see 14.6.3.8 item a, 4. If using “Engineer” in company name, there must be a New Mexico certified engineer on staff, please provide documentation with your application.

THREE: Submit completed packet with the correct application, certificate and license fees. The complete packet must include:

1. Complete Contractor License Application.
2. Copy of valid qualifying party certificate, or copy of exam score report showing passing scores on exam(s) for applicable classification(s). May submit official transcript showing passing grade on business and law course administered by a CID approved school in lieu of passing score on business and law exam. If a Qualifying Party intends to qualify two or more licenses at the same time, you MUST submit proof of at least thirty person (30%) common ownership between all of the licensed entities. Please list all company license names and numbers, and all ownership information for each license.
3. Proof of Financial Responsibility: Bond - must be issued in the exact name shown on application.
4. Proof of current (within the last year) New Mexico Tax ID number application with official stamp or registration certificate. Must be issued in the exact name shown on application. (Contact the New Mexico Taxation and Revenue Department at: 505-827-0700)
5. IF A CORPORATION, LIMITED PARTNERSHIP, LIMITED LIABILITY PARTNERSHIP OR LIMITED LIABILITY COMPANY: Proof of registration with the New Mexico Secretary of State (505)827-3600. Must be issued in the exact name shown on application.
6. Self-addressed envelope large enough and with sufficient postage to return your application materials if your application is rejected. If your application is accepted, this envelope will be used to send your new license once it has been issued.
7. Complete packets must be delivered by hand or mail. Faxed or emailed forms will not be accepted. Submit completed packets to:

PSI 2820 Broadbent Pkwy NE, Suite E&F, Albuquerque, NM 87107 (877) 663-9267
INCOMPLETE PACKETS WILL NOT BE PROCESSED. If your packet is incomplete, incorrect or otherwise insufficient, it will be returned to you.

NOTE: If you have pending administrative or disciplinary actions with CID, are not in compliance with child support or workers’ compensation laws, or are under investigation for unlicensed activity, you may not be eligible for a license and your application may be placed on hold pending resolution of the issue(s).

FOUR: Once your packet has been accepted and your eligibility cleared, your license will be issued and you will receive it by USPS.

FIVE: Your license will be effective for three years from the date of issuance. Please see HOW TO RENEW A CONTRACTOR LICENSE for renewal information.

**Contractors licensed by CID performing work on manufactured homes must be registered with the Manufactured Housing Division (MHD). Call MHD at (505) 476-4770.**

**Workers compensation insurance is required of all licensees. If you are a sole proprietor with no employees, you may be exempt from worker’s compensation insurance requirements. The Workers’ Compensation Administration telephone number is (505) 841-6000.**
